

Rose Park Preschool

Using Children's Photos / Images Policy

Rationale:

To enhance the reporting of children's learning and development, children's activities undertaken during preschool sessions, are often photographed or other digital images such as short videos are taken. These images are made in line with the expectations of ACECQA (National Quality Standards) and Early Years Learning Framework, along with DECD Reporting Guidelines.

This Preschool

Utilises the use of children's photos / images in reporting and educational procedures.

- These photos and images are printed for display on notice boards and in Learning Portfolios, they are used in short computer presentations and shared with the preschool community and on occasions with schools where children are transitioning to.
- Photos and images of your child may be shared with other families from our preschool community by inclusion in portfolios, either in the form of a printed photograph or on a cd of images.
- Please note that photos and images are not used in web applications or advertising without specific consent.

***This Policy** will be shared with all new staff and families, and available to view in the preschool policies booklet and on the preschool website.*

***Enrolled families** will be asked to confirm that they have read and understood this Policy by signing the Information and Consents Form at the time of enrolment.*

Endorsed and ratified by staff and Governing Council October, 2014. To be reviewed in 2016.
